Admissions Policy

Cornerstone Christian Academy does not discriminate on the basis of race, national, or ethnic origin in its admissions policies or in the administration of its programs. We reserve the right to select students on the basis of academic performance, religious commitment, and personal qualifications, including a willingness to cooperate with the staff and administration of Cornerstone Christian Academy.

Students seeking admission will be evaluated on the basis of their transcripts, admission questionnaire, interview, and their ability to perform satisfactorily at Cornerstone Christian Academy. Students with less than a “C” average in their academic subjects may have difficulty attaining a satisfactory level of academic achievement. CCA strives to meet all children’s educational needs. However, we are limited in outside support for children with special learning needs. It is the intention of CCA to work with each student on an individual basis to meet their educational needs, but a complete partnership between home and school is required for every student’s success.

The student must have a sincere desire to attend Cornerstone Christian Academy and be willing to submit to all the standards and regulations of the school. The student must be respectful to his/her peers, staff, and faculty.

Attendance at Cornerstone Christian Academy is a privilege, not a right. No student will be admitted directly following suspension or expulsion from another school. Students will strive to do their best in all areas. CCA is not a refuge for students who will not cooperate, have had previous behavioral problems in other schools, or who will not apply themselves to the best of their academic abilities. All new students will be subject to a one month probationary period for academic and behavioral evaluation.
